

Bar/Baristas/Food & Drink Student Staff

[£8.27 per hour] – Zero Hours Contract

Closing Date: Tuesday 9<sup>th</sup> at Midday – Interviews Friday 12<sup>th</sup> April

Aston Students Union (ASU) is a charity that helps over 15,000 students have an inspired time at Aston University in Birmingham. We have an amazing new building and want to fill it with amazing new staff. The Union is the go to place to meet people, make new friends and get involved.

We are looking for friendly and enthusiastic student staff to work in the new Coffee Shop in the SU and the 1<sup>st</sup> floor *Lounge* to help us serve a wide range and variety of drinks and deliver great food that students will love, in the amazing venue on the first floor of new Students' Union. You will work with us to provide a high-quality service in a fun, friendly, and welcoming atmosphere.

We are looking for student staff with drive and passion in a customer service focused environment – we plan to make this the number one go-to destination for all Aston students and need a team with a passion for great food and drink who can help create a space students can't keep away from. From cocktails to mocktails, beer lovers to baristas – we'll be doing it all.

So, if you have the following, we want to hear from you:

Passion and enthusiasm for great customer service

A willingness to learn

Ability to provide a fast and quality service

Attention to detail

Experience is preferable but full training will be provided (and it goes without saying, you need to be around next year!)

As a diverse organisation, we welcome applications from all backgrounds and look for those that can bring new ideas, strengths and character to our team.

To apply: Email [[m.mcloughlin@aston.ac.uk](mailto:m.mcloughlin@aston.ac.uk)] with your CV and brief statement outlining how what you can bring to the team at Aston.
